ABOUT US

“

We, Margreet and Lars have lived with our children Sam (2007) and Bibi (2008) at Betsie on the farm since 2010. We love our environment and it is nice to be close to friends and family. Together with clients and volunteers from the care farm, we do the work on the farm. The purity of people and the simplicity of happiness are special to be part of.

In addition we of course love to welcome guests to our accommodation. We let everyone enjoy our place as much as possible, but also the wonderful IJssel-area and ♥Deventer!

SECRET PLACES

THE HOUSE "IN THE MIDDLE"

A work of art made as Refuge, made from old farmyard materials, also for treasure hunters...

THE SWINGING BENCH

In the playground, next to the trampoline, you will find the swinging bench, a lovely place, view over the sandbox, the trampoline, the soccer field, the swings and a favorite of many kids; the mini-pipo wagon

STROLL WILDENBERG

Get up early and enjoy a walk around the Wildenberg. Before 7am you can hear the birds waking up and perhaps you will even spot a couple of deer or storks along the way.

A green oasis in the city center. Next to the former Buiskens-monastery, this public garden is located.

TOBBE TERRACE

Our favorite terrace during the summer, by the water.
